## Calgary Search and Rescue Association

"To Aid in the Search and Rescue of People in Distress"

Becoming lost can be a terrifying experience for anybody, and considering Calgary weather, time is of the essence for a lost hiker in the wilderness, for a child or an older person who has become disoriented in the city. The volunteers at Calgary Search and Rescue stand "ever ready" to shed their day roles and respond. They are all fully trained search and rescue specialists, and come from all walks of life.

Not only do the volunteers search and rescue individuals; they are often called out by the Calgary Police Service, the RCMP, the Calgary Fire Department, the MD of Rockyview, and Alberta Conservation to assist in searching for evidence or when disaster strikes. An example of the commitment of our volunteers can be found in the 9000 hours of assistance, at no cost, provided to the Calgary Police Service in 2008. In addition, each year our volunteers take training and workshops to improve their search and rescue skills.

Over the past 15 years, CALSAARA has provided their expertise not only in Calgary and surrounding area, but also in locations such as Brooks, Pine Lake, Sundre, and Wetaskiwin.

To serve the broader community, our volunteers assist at numerous community events, including the Calgary Stampede Parade, the Globalfest International Festival, Canada Day celebrations, in Marda Loop, and the Kensington

# The Lions Charity Classic honours the memory of Citizenship Court Judge Gerry Sinclair

## **An Enduring Tribute**

In addition to his Lions involvement, Gerry volunteered with Scouts Canada, The National & Provincial Kidney Foundation and many other community charitable organizations. He was truly a role model for all Calgarians.
